

TOUR ITINERARY

HUON VALLEY KAYAKING, TAHUNE ADVENTURES

PICK UP

8am - If you are staying in the CBD we can pick you up outside your hotel. Simply enter your hotel name when completing the booking online. Our guide will notify you the day before as to exact pick-up time.

THE EXPERIENCE

- Leaving Hobart, we descend into the beautiful Huon Valley.
- See the beautiful timber boats, all crafted by hand, at the Wooden Boat Centre in Franklin.
- Next, we drive deeper into the Huon Valley, hugging the river as we wind through the countryside to Port Esperance at Dover.
- Once we arrive at Dover you will see why Port Esperance Bay is famous as one of the most beautiful natural harbors in Tasmania. Enjoy kayaking at a relaxed pace on this 2.5 hour tour from Dover town beach. You will love the views over Adamsons Peak as we take you kayaking around the three islands Hope, Faith and Charity. Learn about the interesting convict history and early settlement in the bay. Enjoy morning tea on the islands and take in the view of the Hartz Mountain Range, Dover township and its surrounds from a new perspective.
- Between October and April we stop at the historic Kermandie Hotel. Built in 1932, the charming Kermandie remains the heart of Port Huon. Here you can enjoy a delicious lunch with spectacular views over its private marina on the Huon River. In the colder months you can enjoy lunch at the Tahune Adventures café.
- Spend two hours exploring the forest at Tahune Adventures. Walk among the treetops on the Airwalk - a steel canopy that overlooks the forest floor 50 metres below. Breathe deep as you do a forest walk and be brave as you cross the river on a swinging bridge. Follow the Huon Pine Trail and touch and smell one of Australia's oldest living trees.
- Find out how fire has affected the forest and see firsthand the natural regeneration that occurs in a forest environment.
- For the thrill-seekers, there's an optional extra to take on the Cable Eagle Hang Glider. Be whisked 250 metres across the Huon River at speeds of up to 40 km per hour.
- We aim to return to Hobart by 5:30pm
