Grandveve Cheeses & Hartshorn Distillery are located in the magical Birchs Bay, just 40 minutes from Hobart's CBD. Overlooking Bruny Island and the D'Entrecasteaux Channel, soak in the views while you try some of Australia's best cheeses, and the world's best spirits.

Upon arrival leisurely take in the stunning surroundings, and be met by a knowledgeable Tasting House team member who will assist with questions you may have about the sheep, farm, cheese, spirits, Ewe Care the newly launched sheep milk skin care range and the experiences you can enjoy during your visit. Taste their 'ewe' unique cheese and spirits on a guided tasting experience.

Mewstone Wines

A small family operated vineyard situated on the stunning D'Entrecasteaux Channel. Mewstone wines are made solely from fruit grown in their vineyard in Flowerpot. These wines are intended to represent place and season. Every care is taken throughout the growing season to bring the highest quality of fruit to harvest. The wine making is aimed at harnessing the strengths of our site. We hope these wines will be enjoyed for many years to come.

Enjoy a wine tasting with a view over the Channel.
